**Keeps Your Stove  
"Always Ready for Company"**

A bright, clean, glossy stove is the joy  
and pride of every housekeeper. But it  
is hard to keep a stove nice and shiny--  
unless Black Silk Stove Polish is used.  
Here is the reason: Black Silk Stove  
Polish sticks right to the iron. It doesn't  
rub off or dust off. Its shine lasts four  
times longer than the shine of any other  
polish. You only need to polish one-  
fourth as often, yet your stove will be  
cleaner, brighter and better looking than  
it has been since you first bought it. Use

**BLACK SILK  
STOVE POLISH**

on your parlor stove, kitchen stove or gas stove.  
Get a can from your hardware or stove dealer.  
If you do not find it better than any other stove  
polish you have ever used before, your dealer is  
authorized to refund your money. But we feel  
sure you will agree with the thousands of other  
up-to-date women who are now using Black  
Silk Stove Polish and who say it is the "best  
stove polish ever made."

**LIQUID OR PASTE  
ONE QUALITY**

Be sure to get the genuine. Black Silk Stove  
Polish costs you no more than the ordinary kind.  
Keep your grates, registers, fenders and stove  
pipes bright and free from rusting by using  
**BLACK SILK AIR-DRYING ENAMEL**. Brush  
it with each coat of enamel only.  
Use **BLACK SILK METAL POLISH** for silver-  
ware, nickel, tinware or brass. It works quickly,  
easily, and leaves a brilliant surface. It has no  
equal for use on automobiles.

## MEETING CALLED, BUSH RECEPTION

Men of City are Asked to Assemble  
at the Coffrain & Cook Barber  
Shop This Evening

### TO ARRANGE FOR THE BANQUET

Rumored that Bush May Come Home  
Thursday Afternoon—Tele-  
grams Not Answered

It is rumored about the street that  
Bush is coming home Thursday and  
behaves the fans of Brainerd to  
make preparations for the Bush ban-  
quet and to have everything in readi-  
ness for the celebration when the  
hero comes to his home town.

The Dispatch wired Bush as to the  
date of his coming, addressing the  
telegram in care of Connie Mack, but  
apparently missed the Brainerd  
pitcher as no answer has been re-  
ceived.

That the local reception commit-  
tee will have everything in readiness,  
has been decided to call a meeting  
of the fans of Brainerd at the  
Coffrain & Cook barbershop and pool  
room at eight o'clock tonight, and  
arrangements can then be perfected  
as to where the banquet will be held,  
the cost per plate and also if some  
testimonial to Bush shall be bought,  
to be presented to him on the night  
of the banquet.

These are all things which take  
some time to arrange and a large  
meeting is desired tonight, so that  
every fan will have an opportunity  
to make his suggestions and a cele-  
bration be arranged which will be a  
fitting tribute to the lad who put  
Brainerd on the map.

Working on the range is a moving  
picture film operator and he will be  
in hand to take the whole Bush par-  
ade and banquet and other features.

Ed. Rogers, county attorney of Cass  
county and an old friend of Bush, has  
been notified of the banquet and if  
such a thing is possible, may be in-  
duced to bring some of the Chippeas  
in their native dress to take part  
in the parade. All these features  
will give some tone and class to the  
moving pictures.

## SELECT SEED POTATOES NOW

Man Can Earn \$30 a Day by Choos-  
ing Seed Early, Says A. B.  
Hostetter's Bulletin

### CAMPAIGN FOR BETTER ROADS

Circular Letter Sent to Every News-  
paper in Hostetter's Northern  
District

A. J. Gaffke, county agricultural  
agent, has given the Dispatch the cir-  
cular letter from A. B. Hostetter, of  
Duluth, urging the farmers of north-  
ern Minnesota to join in the cam-  
paign for better seed potatoes. The  
following is a copy of the agricultur-  
al supervisor's letter:

"Northern Minnesota is fast de-  
veloping into a good potato section.  
Some of the best potatoes in the  
United States are grown here.

"Growing potatoes is a profitable  
business for the thinking farmer. Big  
profits in growing potatoes, like any  
other crop, comes by beating the av-  
erage in yield and quality.

"The quality of our Northern Min-  
nesota potatoes is as good and we can  
easily beat the average in yield by  
intelligent hill-to-hill selection of  
seed at digging time. Every farmer  
should have a small patch of po-  
tatoes at an end of his field, planted  
with carefully selected seed from  
which he gets his seed for the next  
year by selecting potatoes from hills  
containing a large number of good  
marketable potatoes.

"Do not wait until spring to select  
seed potatoes from the bin after  
all the good potatoes are used. Se-  
lect your seed potatoes from the hills  
containing a large number of good  
marketable potatoes.

"A farmer growing three acres of  
potatoes can earn \$30 for one day's  
work in selecting seed from good pro-  
ducing hills. An increase in yield  
on three acres of only twenty bushels  
an acre at 50 cents per bushel will  
pay him \$30 for that one day's work.

"Select seed potatoes from the hills  
that produce a large number of mar-  
ketable potatoes. Do not wait until  
spring and select seed potatoes from  
the bin. A farmer can greatly in-  
crease his yield by selecting his seed  
potatoes from the good hills at dig-  
ging time. Farmers who use the po-  
tato digger should select a few bush-  
els of seed from good hills and plant  
this good seed at one end of the po-  
tato field and dig this part of the  
patch by hand, so good seed for next  
year can be selected from the hill.  
By following this method every year  
a farmer will be sure to get the best  
of seed.

"One hill of potatoes may have one  
good marketable potato in it, and  
many small potatoes. Potatoes from  
such a hill have a tendency to pro-  
duce other hills like itself. Another  
hill of potatoes may contain six or  
seven marketable potatoes. Potatoes  
from such a hill will have a  
tendency to produce other similar  
hills. Hills containing a large  
number of good marketable potatoes  
are the hills to select seed from."

## BUSH TO BE THE GUEST OF HONOR

Duluth Curling Club Invites Him to  
Attend the Beell-Yokel  
Wrestling Match

### ON TUESDAY, NOVEMBER 4TH

Governor A. O. Eberhart Invited—  
Frank Gotch Asked to Referee  
The Big Match

The Beell-Yokel wrestling contest  
will be held in Duluth on the eve-  
ning of Tuesday, November 4, having  
been postponed from the original  
date, October 23.

Through the Brainerd Dispatch the  
Duluth Curling club has extended  
an invitation to Leslie Bush to be  
present at the match and to be the  
guest of honor of the evening. The  
curling club people know how to be  
hospitable and they will pay Bush's  
round trip transportation.

That the event will have some  
class to it is shown by the fact that  
an invitation to attend the match  
has been sent to Governor A. O. Eber-  
hart and it is possible that Frank  
Gotch, world champion wrestler, will  
referee the contest.

Beell and Yokel are two of the  
fastest wrestlers in the country and  
the contest will be a display of skill  
and science worth going miles to  
see. Wrestling is a clean sport and  
as exemplified by Beell and Yokel it  
is the king of sports.

The announcement that Bush will  
be the guest of honor will cause a  
large delegation of Brainerd fans to  
accompany Bush and witness the  
match. Duluth papers have been  
good to Bush and Brainerd. They  
gave columns to Bush and his vic-  
tory, to Brainerd and to Bender. Let's  
reciprocate and visit Duluth Novem-  
ber 4.

Bob Liggett, the "Bruce" of the  
Duluth Herald, advised the Dispatch  
of the preparations made to honor  
Bush and there is little doubt that  
Bush, who has not yet returned from  
Philadelphia, will accept the invita-  
tion and attend the match, attended  
by a body guard of Brainerd fans.

### The Family Cough Medicine

In every home there should be a  
bottle of Dr. King's New Discovery,  
ready for immediate use when any  
member of the family contracts a cold  
or a cough. Prompt use will stop  
the spread of sickness. S. A. Stid, of  
Mason, Mich., writes: "My whole  
family depends upon Dr. King's New  
Discovery as the best cough and cold  
medicine in the world. Two 50c bot-  
tles cured me of pneumonia." Thou-  
sands of other families have been  
equally benefited and depend entirely  
upon Dr. King's New Discovery to  
cure their coughs, colds, throat and  
lung troubles. Every dose helps.  
Price, 50c and \$1.00. All druggists.

### Quite a Success.

"Is a college education a success for  
girls?"  
"It was a brilliant success in the  
case of my daughter. She is to marry  
one of her professors."—Kansas City  
Journal.

There is more Catarrh in this section  
of the country than all other diseases  
put together, and until the last few  
years was supposed to be incurable. For  
a great many years doctors pronounced  
remedies, and by constantly failing to  
cure with local treatment, pronounced it  
incurable. Science has proven catarrh  
to be a constitutional disease, and there-  
fore requires constitutional treatment.  
Hall's Catarrh Cure, manufactured by  
F. J. Cheney & Co., Toledo, Ohio, is the  
only Constitutional cure on the market.  
It is taken internally in doses from 10  
drops to a teaspoonful. It acts directly  
on the blood and mucous surfaces of  
the system. They offer one hundred  
dollars for any case it fails to cure. Send

## BUSH MENTION IS WORLD WIDE

Minneapolis Journal of Sunday Prints  
Puzzle Picture—"Where is  
This Man From?"

### ONE OF BART'S BEST DRAWINGS

"Bushwa" Poem in St. Louis Post  
Dispatch—Mpls. Journal Edi-  
torial on Bush

Brainerd is still receiving mention  
in all possible ways regarding Bush's  
big victory of Thursday when his  
pitching helped defeat the Giants in  
the world's series.

Bartholomew, or "Bart" as he is  
known, has a cartoon in the Sunday  
Minneapolis Journal which hits the  
spot. It is entitled a "Puzzle Picture"  
—"Where is the Man From?" The  
visitor in the hotel lobby has just  
signed his name on the register and  
"Brainerd" covers a half page. The  
clerk and the bell hop are paying the  
most obsequious attention to the  
guest whose suitcase bears the legend  
"Brainerd" in foot-high letters. The  
derby hat of the man has split owing  
to the swelling of his dome of  
thought. The buttons are in the act  
of bursting from his vest because of  
the expansion of his chest. In his  
hands the guest holds a paper with  
this heading: "World Series Heroes.  
Bullet Joe Bush, Speed, Curves,  
Nerves, from Brainerd, Minn. Chief  
Bender born in Brainerd, Minnesota.  
Bush, Bender, Brainerd."

Miss Evelyn Pirie, of St. Louis,  
who formerly lived here, has sent the  
Dispatch the following verses which  
appeared in the St. Louis Post Dis-  
patch's "Sport Salad" column of L.  
C. Davis:

### "BUSHWA"

There's Baker and Barry and Collins  
and Plank  
And Stuffy McInnis, all men of high  
rank.  
While singing the praise of all that  
push  
We'd call your attention to J. Leslie  
Bush.

He hails from the village of Brainerd,  
we're told;  
He's only a kid about twenty years  
old;

He routed the Giants and captured  
their goat;  
He'll be quite a man by the time he  
can vote.

He's only a pin-feather fledgling, you  
know,  
But, jumpin' fee whillikens, how he  
can go!  
We take off our hat to this wonderful  
chap.  
The village of Brainerd is now on the  
map!

Two editorials of the Minneapolis  
Journal pay Bush and Brainerd com-  
pliments. The first, under the head-  
ing "Brainerd and Her Boy," reads:

A world's series of baseball games  
is never without its romantic inci-  
dents. New baseball heroes are born  
of every clash. Last year it was  
young Bedient, who, when Wood had  
done his best and O'Brien and Hall  
had failed to show world series form,  
came to the rescue of the Boston  
Reds.

This year another youngster sud-  
denly shines out into a baseball star.  
Leslie Bush has duplicated the  
achievement of Bedient. Minnesota  
takes special interest in his triumph,  
because Bush is a Minnesota boy hail-  
ing from Brainerd. Not yet twenty  
years of age, he has been subjected  
to an ordeal such as tries the nerves of  
the most experienced, and has more  
than held his own. Brainerd is  
jubilate.

Some may say it is childish for a  
whole community to turn out and  
start bonfires, because a boy has won  
a ball game. But it is all in the  
game of life to admire prowess and to  
shout for victory.

Brainerd is all right, and the man  
who criticized preparations for the  
jollification was all wrong. Bush has  
had his chance and has made good,  
and in doing so has honored his home  
town and his State.

The second reads:  
"A tornado hit Nebraska, but it  
was nothing to what hit Brainerd,  
Minn., when it got the baseball news  
from New York."

The Journal also published "Fatty"  
Wood's picture and labeled him  
Bush's first trainer, heralding the  
discovery in big, black type at the  
head of the sport page.

Under the heading "Gopher State  
Gains Fame in Sport World," Won-  
derful Showings of Leslie Bush, Chief  
Bender, Pal Brown and Mike Gib-  
bons place Minnesota in the Sporting  
Calcium, Henry J. Lund, of the Sun-  
day St. Paul Pioneer Press, says:

"Minnesota is rapidly gaining  
fame throughout the sporting world  
as the home of champions and star  
athletes. During the past week it  
remained for a practically unknown  
Gopher lad, Leslie Bush by name, of  
Brainerd, Minn., to step upon the  
mound at Polo grounds, New York  
city, and pitch the Athletics to vic-  
tory over the Giants in the great  
world series. Bush's phenomenal  
pitching came like a thunderbolt from  
a clear sky to a majority of the base-  
ball fans throughout the country.  
Few, indeed, were there who thought  
that this youngster, who is just com-  
pleting his second year in baseball,  
would rival such great luminaries as  
Bender, Mathewson, Johnson, Wood

and others. Bush's wonderful per-  
formance not only gained for him a  
worldwide reputation, but also placed  
Brainerd on the sporting map more  
than ever. Chief Bender also was  
born in Brainerd and the Gopher state  
stands pretty high in the estimation  
of the Athletic fans.

Quentin in her corner in the Min-  
neapolis Morning Tribune, of Octo-  
ber 13 says: "And it might be sug-  
gested that Bender and Bush put the  
Brain in Brainerd."

Quentin also makes this contribu-  
tion to current literature:  
"Goliath Wasn't the Only Giant to  
go down under a Lad's Pitch.

Little Les Bush is the man of the day  
Little Les Bush has things all his way  
Little Les Bush and King David they  
say

Were pitchers too much for the Giants  
Ty Cobb, the world's greatest base-  
ball player, in his Philadelphia Press  
criticism, says: "The world's se-  
ries championship series of baseball  
games is ended, and the best team  
won. Connie Mack's champions for  
the third time proved beyond a ques-  
tion of doubt their absolute superi-  
ority over the best the National  
league could send against them for  
the second time. It was the New  
York Giants who were humiliated by  
the Athletics.

"Bender, Plank and Bush were too  
much for the Giants. The Athletics  
won because of the inability of the  
New Yorkers to hit the masterful  
veterans, Bender and Plank, and that  
classy youth, Bush."

## SOCIALISTS IN BIG CAMPAIGN

O. M. Thompson, Lecturer, Opens  
Headquarters at the Iron  
Exchange Hotel

### BRAINERD WILL BE CENTER

For Campaign Covering Crow Wing  
and Aitkin Counties Lasting  
Until November, 1914

O. M. Thomason, socialist lecturer,  
has opened headquarters in the Iron  
Exchange Hotel and will soon have  
under way a socialist campaign cover-  
ing Brainerd and radiating from the  
county seat to all parts of Crow Wing  
and Aitkin counties, all to be under  
the joint auspices of the county cen-  
tral committee and the state commit-  
tee. The fall campaign will be wag-  
ed with increasing ardor.

Mr. Thomason has just finished  
three months' work in Indiana and  
Kentucky. He spoke on general ed-  
ucational work and propaganda and  
took part in the various municipal  
campaigns in the states mentioned,  
working in the fall elections of cities  
in the two states. He arrived in  
Brainerd from Seattle last week.  
Mr. Thomason will lay special  
stress on the importance of vigorous  
campaigning in the gubernatorial  
and congressional contests of 1914.

### THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and  
luxuriant at once—No more  
falling hair

If you care for heavy hair, that  
glistens with beauty and is radiant  
with life; has an incomparable soft-  
ness and is fluffy and lustrous you  
must use Danderrine, because nothing  
else accomplishes so much for the  
hair.

Just one application of Knowlton's  
Danderrine will double the beauty of  
your hair, besides it immediately dis-  
solves every particle of dandruff; you  
cannot have nice, heavy, healthy  
hair if you have dandruff. This de-  
structive scurf robs the hair of its  
very life, and if not overcome it pro-  
duces a feverishness and itching of  
the scalp; the hair roots famish, loos-  
en and die; then the hair falls out  
fast.

If your hair has been neglected and  
is thin, faded, dry, scraggy or too  
oily, don't hesitate, but get a 25 cent  
bottle of Knowlton's Danderrine at  
any drug store or toilet counter; ap-  
ply a little as directed and ten min-  
utes after you will say this was the  
best investment you ever made.

We sincerely believe, regardless of  
everything else advertised that if you  
desire soft, lustrous, beautiful hair  
and lots of it—no dandruff—no itch-  
ing scalp and no more falling hair—  
you must see Knowlton's Danderrine.  
If eventually—why not now? A 25  
cent bottle will truly amaze you.

### A Word To Mothers

## Athena Underwear

### For The Children

Mothers appreciate the difficulty of securing proper fitting garments  
for their children.

Most underwear makers seem to forget that children are propor-  
tioned altogether differently from adults. Children from two to  
six years are usually round, chubby, broad in proportion to their  
height, while those from six to sixteen are inclined to be slender.

The Athena scheme of sizes takes these important facts into consid-  
eration.

The Athena garments for children are sized by ages—not by num-  
bers; so it is easy to obtain a correct fit for your child by asking for  
"Athena garment age two" for a two year old child, "age ten" for  
a ten year old, and so on. Union suits and separate garments fit  
with equal comfort. In many weights and qualities.

MEETING CALLED,  
BUSH RECEPTION

ans of City are Asked to Assemble  
at the Coffrain & Cook Barber  
Shop This Evening

ARRANGE FOR THE BANQUET

umored that Bush May Come Home  
Thursday Afternoon—Tele-  
grams Not Answered

It is rumored about the street that  
Bush is coming home Thursday and  
behoves the fans of Brainerd to  
make preparations for the Bush ban-  
quet and to have everything in readi-  
ness for the celebration when the  
hero comes to his home town.

The Dispatch wired Bush as to the  
date of his coming, addressing the  
telegram in care of Connie Mack, but  
apparently missed the Brainerd  
pitcher as no answer has been re-  
ceived.

That the local reception commit-  
tee will have everything in readiness,  
it has been decided to call a meeting  
of the fans of Brainerd at the Coff-  
rain & Cook barbershop and pool  
room at eight o'clock tonight, and  
arrangements can then be perfected  
as to where the banquet will be held,  
the cost per plate and also if some  
testimonial to Bush shall be bought,  
to be presented to him on the night  
of the banquet.

These are all things which take  
some time to arrange and a large  
meeting is desired tonight, so that  
every fan will have an opportunity  
to make his suggestions and a cele-  
bration be arranged which will be a  
fitting tribute to the lad who put  
Brainerd on the map.

Working on the range is a moving  
picture film operator and he will be  
in hand to take the whole Bush par-  
ade and banquet and other features.

Ed. Rogers, county attorney of Cass  
county and an old friend of Bush, has  
been notified of the banquet and if  
such a thing is possible, may be in-  
duced to bring some of the Chippe-  
was in their native dress to take part  
in the parade. All these features  
will give some tone and class to the  
moving pictures.

SELECT SEED  
POTATOES NOW

Man Can Earn \$30 a Day by Choos-  
ing Seed Early, Says A. B.  
Hostetter's Bulletin

CAMPAIGN FOR BETTER ROADS

ircular Letter Sent to Every News-  
paper in Hostetter's Northern  
District

A. J. Gaffke, county agricultural  
agent, has given the Dispatch the cir-  
cular letter from A. B. Hostetter, of  
Duluth, urging the farmers of north-  
ern Minnesota to join in the cam-  
paign for better seed potatoes. The  
following is a copy of the agricultur-  
al supervisor's letter:

"Northern Minnesota is fast de-  
veloping into a good potato section.  
Some of the best potatoes in the  
United States are grown here.

"Growing potatoes is a profitable  
business for the thinking farmer. Big  
profits in growing potatoes, like any  
other crop, comes by beating the av-  
erage in yield and quality.

"The quality of our Northern Min-  
nesota potatoes is as good and we can  
easily beat the average in yield by  
intelligent hill-to-hill selection of  
seed at digging time. Every farmer  
should have a small patch of po-  
tatoes at an end of his field, planted  
with carefully selected seed from  
which he gets his seed for the next  
year by selecting potatoes from hills  
containing a large number of good  
marketable potatoes.

"Do not wait until spring to se-  
lect seed potatoes from the bin after  
all the good potatoes are used. Se-  
lect your seed potatoes from the hills  
containing a large number of good  
marketable potatoes.

"A farmer growing three acres of  
potatoes can earn \$30 for one day's  
work in selecting seed from good pro-  
ducing hills. An increase in yield  
on three acres of only twenty bush-  
els an acre at 50 cents per bushel will  
pay him \$30 for that one day's work.

"Select seed potatoes from the hills  
that produce a large number of mar-  
ketable potatoes. Do not wait until  
spring and select seed potatoes from  
the bin. A farmer can greatly in-  
crease his yield by selecting his seed  
potatoes from the good hills at dig-  
ging time. Farmers who use the po-  
tato digger should select a few bush-  
els of seed from good hills and plant  
this good seed at one end of the po-  
tato field and dig this part of the  
patch by hand, so good seed for next  
year can be selected from the hill.  
By following this method every year  
a farmer will be sure to get the best  
of seed.

"One hill of potatoes may have one  
good marketable potato in it, and  
many small potatoes. Potatoes from  
such a hill have a tendency to pro-  
duce other hills like itself. Another  
hill of potatoes may contain six or  
seven marketable potatoes. Potatoes  
from such a hill will have a  
tendency to produce other similar  
hills. Hills containing a large  
number of good marketable potatoes  
are the hills to select seed from."

BUSH TO BE THE  
GUEST OF HONOR

Duluth Curling Club Invites Him to  
Attend the Beell-Yokel  
Wrestling Match

ON TUESDAY, NOVEMBER 4TH

Governor A. O. Eberhart Invited—  
Frank Gotch Asked to Referee  
The Big Match

The Beell-Yokel wrestling contest  
will be held in Duluth on the even-  
ing of Tuesday, November 4, having  
been postponed from the original  
date, October 23.

Through the Brainerd Dispatch the  
Duluth Curling Club has extended  
an invitation to Leslie Bush to be  
present at the match and to be the  
guest of honor of the evening. The  
curling club people know how to be  
hospitable and they will pay Bush's  
round trip transportation.

That the event will have some  
class to it is shown by the fact that  
an invitation to attend the match  
has been sent to Governor A. O. Eber-  
hart and it is possible that Frank  
Gotch, world champion wrestler, will  
referee the contest.

Beell and Yokel are two of the  
fastest wrestlers in the country and  
the contest will be a display of skill  
and science worth going miles to  
see. Wrestling is a clean sport and  
as exemplified by Beell and Yokel it  
is the king of sports.

The announcement that Bush will  
be the guest of honor will cause a  
large delegation of Brainerd fans to  
accompany Bush and witness the  
match. Duluth papers have been  
good to Bush and Brainerd. They  
gave columns to Bush and his vic-  
tory, to Brainerd and to Bender. Let's  
reciprocate and visit Duluth Novem-  
ber 4.

Bob Liggett, the "Bruce" of the  
Duluth Herald, advised the Dispatch  
of the preparations made to honor  
Bush and there is little doubt that  
Bush, who has not yet returned from  
Philadelphia, will accept the invita-  
tion and attend the match, attended  
by a body guard of Brainerd fans.

ready for immediate use when any  
member of the family contracts a cold

the spread of sickness. S. A. Stid, of  
Mason, Mich., writes: "My whole  
family depends upon Dr. King's New  
Discovery as the best cough and cold  
medicine in the world. Two 50c bot-  
tles cured me of pneumonia." Thou-  
sands of other families have been  
equally benefited and depend entirely  
upon Dr. King's New Discovery to  
cure their coughs, colds, throat and  
lung troubles. Every dose helps.

BUSH MENTION  
IS WORLD WIDE

Minneapolis Journal of Sunday Prints  
Puzzle Picture—"Where is  
This Man From?"

ONE OF BART'S BEST DRAWINGS

"Bushwa" Poem in St. Louis Post  
Dispatch—Mpls. Journal Edi-  
torial on Bush

Brainerd is still receiving mention  
in all possible ways regarding Bush's  
big victory of Thursday when his  
pitching helped defeat the Giants in  
the world's series.

Bartholomew, or "Bart" as he is  
known, has a cartoon in the Sunday  
Minneapolis Journal which hits the  
spot. It is entitled a "Puzzle Picture  
—Where is the Man From?" The  
visitor in the hotel lobby has just  
signed his name on the register and  
"Brainerd" covers a half page. The  
clerk and the bell hop are paying the  
most obsequious attention to the  
guest whose suitcase bears the legend  
"Brainerd" in foot-high letters. The  
derby hat of the man has split owing  
to the swelling of his dome of  
thought. The buttons are in the act  
of bursting from his vest because of  
the expansion of his chest. In his  
hands the guest holds a paper with  
this heading: "World Series Heroes.  
Bullet Joe Bush, Speed, Curves,  
Nerves, from Brainerd, Minn. Chief  
Bender born in Brainerd, Minnesota.  
Bush, Bender, Brainerd."

Through the courtesy of "Bart"  
the Dispatch is able to reproduce this  
cartoon on the front page.

Miss Evelyn Pirie, of St. Louis,  
who formerly lived here, has sent the  
Dispatch the following verses which  
appeared in the St. Louis Post Dis-  
patch's "Sport Salad" column of L.  
C. Davis:

"BUSHWA"

and Plank  
And Stuffey McInnis, all men of high

We'd call your attention to J. Leslie

He hails from the village of Brainerd,  
we're told;  
He's only a kid about twenty years

their goat;  
He'll be quite a man by the time he

He's only a pin-feather fledgling, you  
know,  
But, jumpin' fee whillikens, how he  
can go!

We take off our hat to this wonderful  
chap.  
The village of Brainerd is now on the  
map!

Two editorials of the Minneapolis  
Journal pay Bush and Brainerd com-  
pliments. The first, under the head-  
ing "Brainerd and Her Boy," reads:

A world's series of baseball games  
is never without its romantic inci-  
dents. New baseball heroes are born  
of every clash. Last year it was  
young Bedient, who, when Wood had  
done his best and O'Brien and Hall  
had failed to show world series form,  
came to the rescue of the Boston  
Reds.

This year another youngster sud-  
denly shines out into a baseball star.  
Leslie Bush has duplicated the  
achievement of Bedient. Minnesota  
takes special interest in his triumph,  
because Bush is a Minnesota boy hail-

years of age, he has been subjected to  
an ordeal such as tries the nerves of  
the most experienced, and has more

jubilant.

Some may say it is childish for a  
whole community to turn out and  
start bonfires, because a boy has won  
a ball game. But it is all in the  
game of life to admire prowess and to  
shout for victory.

Brainerd is all right, and the man  
who criticized preparations for the  
jollification was all wrong. Bush has  
had his chance and has made good,  
and in doing so has honored his home  
town and his State.

The second reads:  
"A tornado hit Nebraska, but it  
was nothing to what hit Brainerd,  
Minn., when it got the baseball news  
from New York."

The Journal also published "Fatty"  
Wood's picture and labeled him  
Bush's first trainer, heralding the  
discovery in big, black type at the  
head of the sport page.

Under the heading "Gopher State  
Gains Fame in Sport World," Won-  
derful Showings of Leslie Bush, Chief  
Bender, Pal Brown and Mike Gib-  
bons place Minnesota in the Sporting  
Calcium, Henry J. Lund, of the Sun-  
day St. Paul Pioneer Press, says:

"Minnesota is rapidly gaining  
fame throughout the sporting world  
as the home of champions and star  
athletes. During the past week it  
remained for a practically unknown  
Gopher lad, Leslie Bush by name, of  
Brainerd, Minn., to step upon the  
mound at Polo grounds, New York  
city, and pitch the Athletics to vic-  
tory over the Giants in the great  
world series. Bush's phenomenal  
pitching came like a thunderbolt from  
a clear sky to a majority of the base-  
ball fans throughout the country.  
Few, indeed, were there who thought  
that this youngster, who is just com-  
pleting his second year in baseball,  
would rival such great luminaries as  
Bender, Mathewson, Johnson, Wood

and others. Bush's wonderful per-  
formance not only gained for him a  
worldwide reputation, but also placed  
Brainerd on the sporting map more  
than ever. Chief Bender also was  
born in Brainerd and the Gopher state  
stands pretty high in the estimation  
of the Athletic fans.

Quentin in her corner in the Min-  
neapolis Morning Tribune, of Octo-  
ber 13 says: "And it might be sug-  
gested that Bender and Bush put the  
Brain in Brainerd."

Quentin also makes this contribu-  
tion to current literature:  
"Goliath Wasn't the Only Giant to  
go down under a Lad's Pitch.

Little Les Bush is the man of the day  
Little Les Bush has things allhisway  
Little Les Bush and King David they  
say

Were pitchers too much for the Giants

Ty Cobb, the world's greatest base-  
ball player, in his Philadelphia Press  
criticism, says: "The world's se-  
ries championship series of baseball  
games is ended, and the best team  
won. Connie Mack's champions for  
the third time proved beyond a ques-  
tion of doubt their absolute superi-  
ority over the best the National  
league could send against them for  
the second time. It was the New  
York Giants who were humiliated by  
the Athletics.

"Bender, Plank and Bush were too  
much for the Giants. The Athletics  
won because of the inability of the  
New Yorkers to hit the masterful  
veterans, Bender and Plank, and that  
classy youth, Bush."

SOCIALISTS IN  
BIG CAMPAIGN

O. M. Thompson, Lecturer, Opens  
Headquarters at the Iron  
Exchange Hotel

BRAINERD WILL BE CENTER

For Campaign Covering Crow Wing  
and Aitkin Counties Lasting  
Until November, 1914

O. M. Thomason, socialist lecturer,  
has opened headquarters in the Iron  
Exchange Hotel and will soon have  
under way a socialist campaign cover-  
ing Brainerd and radiating from  
the county seat to all parts of Crow Wing  
and Aitkin counties, all to be under  
the joint auspices of the county cen-  
tral committee and the state commit-  
tee. The fall campaign will be wag-  
ed with increasing ardor.

Mr. Thomason has just finished  
three months' work in Indiana and  
Kentucky. He spoke on general ed-  
ucational work and propaganda and  
took part in the various municipal  
campaigns in the states mentioned,  
working in the fall elections of cities  
in the two states. He arrived in  
Brainerd from Seattle last week.

Mr. Thomason will lay special  
stress on the importance of vigorous  
campaigning in the gubernatorial  
and congressional contests of 1914.

THICK, GLOSSY HAIR  
FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and  
luxuriant at once—No more  
falling hair

If you care for heavy hair, that  
glistens with beauty and is radiant  
with life; has an incomparable soft-  
ness and is fluffy and lustrous you  
must use Danderine, because nothing  
else accomplishes so much for the  
hair.

Just one application of Knowlton's  
Danderine will double the beauty of  
your hair, besides it immediately dis-  
solves every particle of dandruff; you  
cannot have nice, heavy, healthy  
hair if you have dandruff. This de-  
structive scurf robs the hair of its  
very life, and if not overcome it pro-  
duces a feverishness and itching of  
the scalp; the hair roots famish, loos-  
en and die; then the hair falls out  
fast.

If your hair has been neglected and  
is thin, faded, dry, scraggy or too  
oily, don't hesitate, but get a 25 cent  
bottle of Knowlton's Danderine at  
any drug store or toilet counter; ap-  
ply a little as directed and ten min-  
utes after you will say this was the  
best investment you ever made.

We sincerely believe, regardless of  
everything else advertised that if you  
desire soft, lustrous, beautiful hair  
and lots of it—no dandruff—no itch-  
ing scalp and no more falling hair—  
you must see Knowlton's Danderine.  
If eventually—why not now? A 25  
cent bottle will truly amaze you.

A Word To Mothers

Athena Underwear

For The Children

Mothers appreciate the difficulty of securing proper fitting garments  
for their children.

Most underwear makers seem to forget that children are propor-  
tioned altogether differently from adults. Children from two to  
six years are usually round, chubby, broad in proportion to their  
height, while those from six to sixteen are inclined to be slender.

The Athena scheme of sizes takes these important facts into consid-  
eration.

The Athena garments for children are sized by ages—not by num-  
bers; so it is easy to obtain a correct fit for your child by asking for  
"Athena garment age two" for a two year old child, "age ten" for  
a ten year old, and so on. Union suits and separate garments fit  
with equal comfort. In many weights and qualities.

### THE MACKMEN SCATTER

**Bush Coming Home Soon, Has Had His Automobile Shipped to Brainerd**

Philadelphia, Oct. 12.—The world's series won, the victorious Athletics scattered to different sections of the country today, probably not to gather again until the spring training trip. Nearly all members of the team had made arrangements for the vacations before the starting of the championship contests with the New York Giants.

Collins is going on a hunting trip in Pennsylvania, while Baker, Bender and Strunk will try their luck at shooting in Maryland. Charley Herzog of the Giants will accompany Baker. Robert Shawkey, one of Connie Mack's young pitchers, but who did not get in the world's series games, expects to join a hunting party chaperoned by Frank Dunn of Baltimore, while Jack Lapp also intends to go gunning. E. Murphy will spend some time at home in White Mills, Pa.

Daley and Houck expect to go to their homes on the Pacific coast, although Mr. and Mrs. Daley will spend some time in New York before leaving for the west. Walsh is anxious to get back to Syracuse, where the fans have planned an enthusiastic reception for him. D. Murphy and McInnis will rest at their homes in New England and later go gunning while the fans of Worcester have decided upon a great demonstration for Barry upon his arrival home. Schang intends to motor to his home in Buffalo, and Bush has had his automobile shipped to Brainerd, Minn. Both are enthusiastic motorists and expect to spend some time automobiling. Ira Thomas probably will remain close to Philadelphia, until his chum, Jack Coombs, hero of two world's series, is able to leave the hospital, where he is suffering from typhoid of the spine.

Plank has already gone to his farm at Gettysburg and Oldring says he will devote his time to forgetting baseball.

Because it was not necessary to play a third game of the world's series in this city, tickets for which had already been sold, the Athletic club will have to refund approximately \$45,000 to purchasers. All purchasers of tickets for contests here were compelled to buy coupons for three games, and not more than two sets of tickets were sold to one person.

Muresco Sanitary Wall finish is sold only by D. M. Clark & Co.—Advt. 249tf
